May 2018

Weekly Scrambles at Bayshore:

Wednesday Evening will continue to be our mixed golf scramble. They will run at 6:30pm. Please show up at least 5 minutes early and be ready to head out to your designated hole. Bring a loonie to pay for snacks that may be enjoyed with your beverage after the game. All levels of golfers are welcomed.

There will be a special year end prize to the golfer that is on the most winning teams. The more scrambles you attend the more chance you have of being on top.

Monday mornings at 10:00am the women participate in a golf scramble. There will also be email announcements of away games that are often very well attended. .

This year we are looking to start a Men's Scramble League and a Youth Scramble League. Andy Rodrigues is helping to lead the Men's League and it will be on Friday mornings. The Youth League will require a volunteer coordinator to organize and supervise this program. If anyone is interested please contact Irene Heinz. Any other questions regarding leagues please do not hesitate to ask. .

Golf Course Renovations:

The renovations started last fall and continue to date. The plan is to provide drainage to the course and reconstruct existing tee blocks. We have been hampered by the weather and late snow/sleet/freezing rain but come late April the work intensified. Eventually it will result in a better course for your enjoyment.

The Golf Trophies have been updated with the winners of 2017. Check them out the next time you are in the Hayloft. Come and enjoy our wonderful course and perhaps your name will be memorialized in Bayshore History.

SAVE THE DATES:

Last year we had great weather for both of our tournaments. Hopefully we get the same this year.

Bayshore Classic: Sat July 14th

This is an individual fun competition involving 9 holes of golf followed by 9 putting holes.

Bayshore Ryder Cup: Sat Sept 8th

Playing in teams of two with the Blue Team attempting to retain bragging rights. Your twosome will be matched to a corresponding team of equal talent to ensure the day is fun for all levels of golfers.

Remember the second tournament sold out with the introduction of the Party Zone. We anticipate a high interest in these golf days so watch out for when tickets go on sale.

No Bag Tag, No Golf

Over the last couple of years more non-residents of Bayshore have been playing our course. It is imperative that your bag tag is clearly visible at all times. Your guest must also be golfing with a member of Bayshore that has the golf tag visible. If you need a bag tag please see Dee in the office.

Spring Golf Course Clean-up:

On Tuesday May 8th there was a call for volunteers to assist in the clean up of our course. We had a huge response which resulted in some amazing work on your course. The cedars were trimmed on hole #1, #4, & #5. The entire course was raked and debris was bagged. The golf committee is looking for ongoing volunteers that can give a couple of hours per week to assist in course maintenance. There are a number of options of activity and time. Please consider being a part of the Bayshore Golf experience.

Women's 9 hole Away Golfing:

Once a month from June to September, the Bayshore Ladies do an off-site Monday morning 9 hole round of golf and lunch. Details regarding dates and courses for the upcoming season will be emailed out in late May.

If you were not on last years email list and you are interested please contact Sharon Seaward at the-seawards@rogers.com

Men's Golf Wednesday Morning at Braestone Golf Club:

The group plays every Wednesday at 9AM and all levels of experience are welcome. If you are new to Bayshore Village and would like to golf off-site please respond with your interest to bswednesdaygolf@gmail.com.

New Scorecards:

New Scorecards have been printed for the Bayshore Golf Course with the Holes mapped on the reverse. We have to admit they look amazing!. They are available inside the Hayloft across from the Administration Office. There is an "Honesty Box" to purchase the cards for 25c each.

Memorable Golf Quotes:

"Golf is the closest game to the 'Game of Life'.

You get bad breaks from good shots.

You get good breaks from bad shots.

Either way you have to play the ball where it lies."
