July 2018

Canada Day Golf:

We had four teams battling the hot sun on Sunday July 1st. We played our usual scramble but had one difference in that which ever player had their drive used they had to sit out on the next shot. We still had one team that easily cleaned up. The team of Marc Bertrand, Noel Cooper and Lisa Tobin will have the honor of having their name on the Canada Day Trophy for 2018.

Bayshore Classic:

We had a great day with 65 golfers divided between the morning and afternoon tee times. The weather held out and only a few drops of rain fell throughout the day. The day would not be possible without some amazing and generous sponsors:

- Braestone Golf Club
- Link Climate Care
- Len Skok & Lisa Fox Real Estate
- Northern Pest Management
- Orillia Home Hardware
- Papa John's Pizza
- Jolly's Automotive Services
- PD Engine Services
- Lambert's Motor & Service Centre
- Sue Plumbohm Sutton Group
- Warren's Painting Services

RESCHEDULED Pizza Night: Wed August 1st

Bayshore Classic:

There were some enthusiastic golfers that participated. Some even had some talent. The individuals with the most talent and enthusiasm were our hostesses at the Party Zone. A big thanks goes to Wendy Lucas, Sally McPherson, Catherine Plue and Leslie Fielding. Doug McPherson was also especially helpful in covering the BBQ duties over the lunch time to allow our golfers to continue enjoying the day.

Our "Share the Wealth" drive allowed us to give out 3 money prizes of \$20, \$40, \$60. We made a profit of \$105 which will be put back into your golf course. By the way have you seen the new yardage sign for Hole #1. Last years fund raising contributed to making our course look better every year.

Our winners for total low golf score for 2018 are Dave Meharg and Lisa Tobin. Lisa had an amazing score of 27 on the golf course which will probably remain a record for years to come.

Our highest putts on Hole #7 goes to our own golf committee secretary Kay Beacham. With a score of 20 she really demonstrated what an honest golfer she truly is.
