MESSAGE FROM MAYOR CLARKE

The start of summer has brought big changes to Ramara. We are sad to say goodbye to CAO Janice Mckinnon as she retires on August 31, 2018. Janice has worked with the Township for over 20 years bringing a wealth of knowledge and experience to each role she has carried out. We wish her all the best in her retirement, she will be missed. Manager of Legislative Services/Clerk, Jennifer Connor will be stepping up in September to become the Acting CAO. Jennifer has been with the Township for over 19 years and I am confident she will fill the role seamlessly after Janice's departure. We look forward to the leadership and guidance Jennifer will provide during the interim. The hiring of the new full time CAO will take place in early 2019 once the new council term has begun.

Summer Fun Out of the Sun

The Township of Ramara, much like the rest of Southern Ontario, is expected to experience extreme weather this summer. With that in mind, we would like to remind residents about the importance of staying cool. Be sure to check out the Ramara Township website for any updates regarding extreme heat as cooling centres may be opened where/when required. There are many ways for our residents to keep cool this summer, such as, visiting one of our local library branches, your local grocery store, or even cool off at one of the Ramara beaches. Keep up to date by following our Twitter Account @RamaraEmergMgmt.

GARBAGE AND RECYCLING

For information on Garbage and Recycling Collection, please contact the County of Simcoe at 705-735-6901 or from 426 or 689 exchanges call toll-free at 1-800-263-3199. County of Simcoe Customer Service operators are available to help you Monday to Friday, 8:30 a.m. to 4:30 p.m.

CANINE CONTROL

Our Canine Officers will continue to canvas door to door in 2018! Please make sure your four legged friends are licensed!

ENVIRONMENTAL SERVICES

Information for Residents on Municipal Water and Sewers

WATER TURN ON/OFF— For your protection against leaks, breaks or blockages, it is mandatory for someone to be onsite to confirm the water is ON/OFF. Township of Ramara Environmental Services requires 24 hour notice for this procedure. All charges for these services are in accordance with the Township of Ramara [Fees and Charges Bylaw](#)

Selling Your Home? - If you are selling your home, please ensure your lawyer contacts the municipal office to provide pertinent information such as closing date, new owners contact information and arrange for a final read of your water meter.

Sewer Use Bylaw—The discharge of storm water, surface water, ground water or sump pump into sanitary sewers is strictly prohibited.

LAGOON CITY PARKS AND WATERWAYS COMMISSION

A History of Lagoon City

Weeds are prevalent in the canals and the Commission has the following programs in place:

1. Harvesting – takes place each week on Mondays, Tuesdays and Wednesdays between July 1st and Thanksgiving. The Commission does not have any place to store the weeds and therefore cutting can only take place when the landfill site is open. The harvester will be seen out in the canals from May 1st, but it will only be skimming debris from the surface. Due to fish spawning no cutting may take place prior to July 1st.

2. Weed Spraying – takes place annually as soon as possible after July 1st after fish spawning season has taken place. This is regulated by the Ministry of the Environment. The licence to spray REWARD is for 10 acres at a rate of 25 litres per acre and must be applied for annually. Therefore the only the areas that are affected by abundant weed growth are sprayed.

BUILDING AND PLANNING SERVICES

On-Site Sewage Maintenance Inspection Program

Effective January 1st, 2011, the Ontario Building Code was amended by Ontario Regulation 315/10 to establish and govern mandatory on-site sewage system maintenance inspection programs to be administered by the Township of Ramara. Click to view [Ontario Regulation 315/10](#).

This amendment helps protect Ontario's drinking water and the natural environment and support the implementation of the Clean Water Act, 2006 (CWA) and the Lake Simcoe Protection Plan.

Inspections of all on-site sewage systems within this boundary will be inspected, and then re-inspected every five years thereafter.

You will receive a notice if your property is within this boundary, the inspection will be completed simultaneously during the spring/summer months by our Building Department staff and a notice will be left on your door.

Once the inspection is completed you will receive an invoice for \$150.00. Please be advised after 30 days if the invoice is unpaid the fee will be transferred to your property tax account.

The second component of the program is that you are responsible for arranging a licensed sewage hauler to have your septic or holding tank pumped out.

2018 Official Plan Update

In conjunction with EcoVue Consulting Ltd., the Township of Ramara is currently undertaking a review of the Official Plan. The Official Plan contains goals, objectives and policies that guide Township Council, its Committees, Boards, Officials and the public with regard to land use and physical changes and their effects on economic, environmental and community consideration in the Township. The first draft of the document has been received by municipal staff who are working with the consultants in anticipation of bringing the draft plan to Council. Every effort was made to date to include all policy directions as well as public consultation comments. Once the first stage of the review has been completed, the draft document will be amended to reflect any required changes to the text and draft schedule pages prior to presenting the first draft of the updated Official Plan to Council, stakeholders and the public. Keep an eye on the website for further information.

ECONOMIC DEVELOPMENT

Ramara Township is undergoing a Branding Exercise! Thank you for participating in our survey! Our [webpage](#) will be updated as more information becomes available. The recommended logo design will be presented to Council at the Committee of the Whole meeting on July 16th 2018.

Have you received a Canadian Index of Wellbeing survey? Remember to fill it out to contribute to data that could help municipalities and community partners design better programs for your community. For more information please visit www.informationorillia.org/orillia-and-area-ciw
