## Reminders

**MORNING GROUP:** Please arrive early enough to enjoy your morning coffee and greetings from your fellow golfers as you will be teeing off at your designated tee at 9:00 SHARP.

**AFTERNOON GROUP:** Lunch will be served at 11:30 for afternoon group and you will start your golf as soon as morning group is finished.

All golfers should be proudly dressed in your team colours.

Back by popular demand is **The Party Zone**!! So please, leave your inhibitions behind but bring your personal coolers and lots of Toonies for a chance at Share the Wealth Draws.

This is a Match Play event. The 1st 9 holes is a Scramble, or Best Ball format. In Match Play, you and your partner try to win more holes than your opponent. Whoever wins more holes, earns 1 point for their Team colour. The 2nd 9 holes is an Alternate Shot format where you and your partner take turns hitting the ball until it is "holed". Again, whoever wins more holes, earns 1 point for their Team colour. If the round is tied, you each earn a 1/2 Point for your Team colour. The Team with the most points at the end of the day is Ryder Cup Champions and have bragging rights for the entire year.

We will gather back at the Hayloft for the traditional team pictures at 5:30 and settle in for dinner at 6:00
