

In developing countries, medication isn't always packaged safely and that can be a major health hazard. These bottles can be used as a safe and secure method for transferring medical supplies.

The Bayshore Community Service Crew's mission is to collect your empty **prescription** bottles and donate them to our local **Lion's Club** in Orillia .
(They do not want over-the-counter medication bottles at this time.)

Help us care for a needy world with the things we throw away!

We're also collecting used shoes for children and adults! All shoes are welcome with the exception of heels. Please, NO HEELS of any sort.

All shoes will go to the **Canadian Food for Children** Warehouse and will be shipped to those in need in third-world countries.

Sunday, June 13th
10am - 12pm
Hayloft Parking Lot

Once again, our COVID-safe procedures ask that you do not get out of your car, but that you wear your mask and merely drive-by and drop-off your donation of essential items directly to our Bayshore Community Service Crew.

We'll be waiting for you!
