Weekly Scrambles at Bayshore:

There will be another Pizza night on a Wednesday evening in August. If interested come out to the Evening Scrambles to sign up. A maximum of 25 golfers will be participating to ensure the night is fun but moves steadily around the course. The cost will still remain at \$5 each and the pizza will be served after the golf scramble around 8:00pm.

The Bayshore Classic:

We had an amazing day on Saturday July 15th. The weather held out and there were so many great prizes. Our generous sponsors were Cedarhurst Golf Club, Northern Pest Management, Lambert's Motors and Service Centre, Susan Plumbohm with Sutton Group, Jolly's Automotive Services, PD Engine Services, Link Climate Care, Warren's Painting Service, Papa John's Pizza, Tom and Suzanne Morton with Coldwell Banker Real Estate and last but certainly not least John Lock with Home Hardware.

The course continues to improve due to the combined efforts of the Golf Committee and the many volunteers. We have had issues with rain, the irrigation system, cutting heights, drainage, Canada Geese and the "fairy rings" (yellow circles on greens). One by one we figure it out and solve the problem. The course has had more play this year which is a good sign. The golf committee share a common vision to continually improve the course condition and make your golf experience more enjoyable.

Please feel free to email Jeff Drayton our course superintendent with your comments, concerns or feedback regarding the golf course conditions.

Lastly, if you are playing the course and notice the tee blocks are thrown to the side, they are there because the person cutting has been instructed to do so. Please replace in a suitable location
